General:

Archbishop McGrath Catholic High School is an English medium, mixed, voluntary aided secondary school. It serves the parishes of Our Lady's and St Patrick's (Maesteg), St Robert's (Aberkenfig), St Mary's (Bridgend), Our Lady Star of the Sea (Porthcawl) and St Joseph of Arimathea (Pyle).

In circumstances where, for reasons of capacity, it is not possible to admit all the children within a particular category, preference will be given those whose homes are closest to the school as determined by the safest practicable walking route; this is determined using the current BCBC approved GPS system.

Admissions Policy

The Governing Body of the School is responsible for determining and administering the Policy relating to the admission of pupils to the School. It is guided in that responsibility by the requirements of the law, by the advice of the Diocesan trustees and its duty to the School and the Catholic community.

In accordance with the provisions of the Government of Maintained Schools (Wales) Regulations 2005, the Governing Body has delegated responsibility for determining admissions to its 'Admissions Panel', a sub-committee of the Board of Governors. The Admissions Panel will consider all applications made in accord with the criteria set out on page 2 of this document, without reference to the race, gender, ability, disability, social background or aptitude of the child.

Having consulted with the LEA and others in accordance with the requirements of the law, the Governing Body has set its planned admission number at **131** pupils for the school year commencing September 2018. Places in other year groups are also limited to **131**.

Parents/guardians wishing to apply for a place for their child for the **start of the academic year 2018-19** must complete the attached application form in full, and return it to the school no later than the published Closing Date for applications. Please note that ALL applications **must** be submitted on this form and all applications will be considered at the same time

Letters will be dispatched on the published Common Offer Date, informing you of the decision of the Admissions Panel in respect of your application. Where the application is unsuccessful, the reason(s) will be stated clearly in the letter, and you will be provided with information as to how to appeal the decision. Applicants who are not accepted will be placed on the school's Waiting List. Applicants will remain on the Waiting List until the end of the academic year. In the event that places become available, the applicants on the Waiting List will be reviewed against the Oversubscription Criteria and offers made to fill available places.

Applications for **transfer to the school from another secondary school** during the academic year should be made using the specific Schools Transfer Application Form. The Governing Body Admissions Panel will consider each application. If the number requesting transfer exceeds available places, the Oversubscription Criteria will be used to determine successful applicants. Where the particular year group is full, applicants will be placed on the school's Waiting List. Applicants will remain on the Waiting List until the end of the academic year. In the event that places become available, the applications on the Waiting List will be reviewed against the Oversubscription Criteria and offers made to fill the available places.

Parents have a **right of appeal** against a refusal by the Governing Body to admit their child. If they wish to do so, they should put their appeal in writing to the Clerk to the Governors at the School within 14 days (10 working days) from the notification date. Appeals will be arranged, with an independent panel and conducted in accordance with the School Admission Appeals Code.

For all successful applications, the data contained in the application form will be stored on the school management information system and used for purposes outlined in the 'fair processes order'. Every effort is made to secure the accuracy and security of personal data held by the School. Under the Data Protection Act, individuals have the **right of access to personal information** held about them, and also the right for any errors to be corrected.
