HERONSBRIDGE SCHOOL

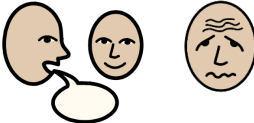

Acceptable Use Agreement for Pupils

The school's IT network is there to help you learn. Just like our class rules and playground rules, there are important rules we **ALL** need to follow to make ourselves and system safe.

Please read through with an adult and sign below.

I will:

- Look after all the school IT equipment 
- Ask the person before taking a photo of them 
- Only open pages and websites that an adult has said are okay 
- Tell an adult if I see or hear anything which makes me feel scared, worried or upset while using the computer or iPad 
- Tell an adult if anything is broken 
- Only open my own files and not change or delete other people's files 
- Ask an adult if I don't understand something on the computer 

I won't:

- post anything online which upsets other people 
- give out my name, address, email or phone number to people I don't know
