REF: 16.11.15

Dear Parents & Carers of year 6

During this final year of their education at West Park Primary, your child will be invited to take part in transition lessons with Porthcawl Comprehensive School. On some occasions, teachers from the Comprehensive will visit the children here at school & occasionally we will visit the Comprehensive during the course of the normal school day. The purpose of these visits is to help the children's transition from West Park to Comprehensive & prepare them for their further education in September. The children will have the opportunity to meet some of their new teachers and familiarise themselves with their new environment.

I hope that you will be willing for your child to take part in these transition visits as they have proved invaluable in previous years. If you have any objections or queries, please contact the school as soon as possible.

There will be a full day transition visit on Thursday 19th November. Transport will be provided during the course of the day so normal school drop off and collection times will apply. Your child will be offered lunch free of charge but may bring a packed lunch if they prefer.

Best wishes

Mr I Bird

Headteacher
