Hey Ho, calling all parents and Carers

To celebrate the end of this term's theme, the children have been tasked with hosting a Tudor Fayre for each other within years 3 and 4. We have decided to hold this Fayre on Thursday February 11th during school time.

PE kits will not be required on this day; instead we would like to invite your child to participate in the Fayre by dressing as a Tudor person. This does not require any special attention, just be inventive with garments you have got at home such as waist coats, ragged clothes, aprons, shawls, cloaks, fancy dress costumes and so on.

The children themselves are planning and preparing for this Fayre over the next few weeks and may require some resources from home. Your support with this would be very helpful and much appreciated.

In the spirit of the Tudor Fayre we will be exchanging Tudor currency for refreshments and participation in games, so please send your child with a handful of copper coins to spend.

Many thanks and a Hey Nonny Nonny!

Year 3 and 4 team

Work and Persevere to Succeed
