Dear Parents and Carers

You are invited to contribute to the review of our school Strategic Equality Plan which you can find on Moodle in latest news or obtain from the school foyer.

If you require any additional information about the consultation process or would like to receive the questions in any other format (e.g. large print) please contact Nikki Sutton on 01656 642615.

As a school in Wales, West Park Primary is required by law to review and publish its Strategic Equality Plan (SEP). The purpose of the plan is to show the steps we plan to take to make West Park Primary a fairer place.

In our plan we have to include a series of equality objectives (some of the things that we plan to do) to show how we intend to promote equal opportunities for all and make a real difference to the lives of pupils, parents, school staff and governors in West Park Primary.

In order to help us review and formulate our plan you are invited to take part in the questionnaire during the consultation period from 25.1.16 to 12.02.16. We will take into account the things that you tell us are important to you in terms of equality and fairness, and this will help us to develop our future equality objectives.

Throughout the survey we refer to people who share 'protected characteristics'. This means the groups of individuals who are protected by the Equality Act 2010. The protected characteristics are:

Age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, sexual orientation.

Kind regards
Mr I Bird
