Dear Parents and Carers

As you are aware the Year 3 and 4 pupils are hosting a Tudor Festival for each other on Thursday the 11th of February.

We would like to thank you for all the support you have given them at home with their plans and preparations.

The children will be organising games and fun activities throughout the day. They will all be given the chance to participate in a Tudor banquet complete with a pigs head centre piece! They will all have the choice to try Tudor biscuits and Tudor Mead as well as pork and gammon slices.

If your child has any dietary requirements or food allergies please let us know immediately.

Pupils may bring a hand full of copper coins to 'spend' at the festival.

I am sure you will agree this will be a fantastic event to finish off the topic which the staff and pupils have worked hard to prepare. We will take plenty of pictures and post some on Twitter for you to enjoy!

Very best wishes and a Hay Nonny Nonny!

Mr I Bird
