REF: 15.07.16

YEAR 3, 4, 5 AND 6 CHILDREN (SEPTEMBER)

Dear Parents & Carers

On the first day back in September Year 3 children will be provided with a blue junior book bag in which to store the items required for their classroom.

Pupils in Year 4 to 6 should continue to use the blue junior book bags they have already been provided with. Worn out bags should be replaced with a similar bag purchased from any of our recommended uniform stockists.

Please provide your junior pupil with a draw string bag in which to hold any sports kit rather than a rucksack as there is no room in the cloakroom areas.

.

No rucksack or any other bag will be needed by your junior child

This system frees up space in our cloakroom areas in line with Health and Safety requirements.

Thank you for your support.

Mr I Bird

Headteacher
